Hospitality Collection

Lumithree Hospitality is our division dedicated exclusively to the hospitality industry. From grand hotel lobbies to intimate guestrooms, restaurant dining rooms to rooftop bars — we craft lighting that defines spaces and creates unforgettable guest experiences.

Our team works directly with interior designers, architects, and FF&E procurement teams to deliver custom solutions on time, every time.

OUR HOSPITALITY PROMISE

□ Custom Solutions

From grand chandeliers to discreet accent lights — every fixture is tailored to your property's distinct character. Unlimited finish, fabric, acrylic, and glass options.

□ Energy Efficiency

LED lighting solutions that significantly reduce energy operating costs without compromising style, ambiance, or guest experience quality.

□ Durability & Compliance

Fixtures built to withstand high-traffic commercial environments while meeting all industry safety standards including UL, ETL, ADA, and damp location ratings.

□ Fast Turnaround

We deliver on time for tight project deadlines. Quick-ship items available for urgent FF&E requirements. Custom lead times discussed at time of order.

“

Attitude is everything. Our lighting sets the tone, defines the space, and creates the perfect mood.

— Elie Baroudy, Lumithree Lighting
